 Jennifer Honsinger (RN)
 Emma Marsh (RN)
 Henderson John MD

On July 18th 2014 around 1300hr 110 South 9th ave
 Pansy James and her kid was taken to Yakima, WA 98902

Yakima Regional Hospital. Jennifer Honsinger was The Primary Nurse They treated her as a drunk Indian Pansy James Brother got to the hospital at 415pm and left around 430pm Pansy James wounds was steel opened at that time her husband got to the hospital 4 1/2 hours after she was taken to The hospital he saw her steel bloody and all wound was untreated when he asked them to clean her up They said that They were doing other things, Mr Neal saw Them sitting around and talking about what they were going to do after work, it too Them almost 8 hours to fix her wounds Pansy James had to clean her self up after she was told that she was drunk, Everyone was rude and never came into the ER room #2 The whole Time her ex boy friend and ant and husband was There, This Treatment From the hospital is uncalled for ~~the~~ ^{Pansy James} is now going to a wound center at a nother hospital do to the treatment that was not given to her right a way. They left her laying in her own Blood and Left her wounds open for almost 8 hours The three Nurses are unbecoming to help others in need of help, And put her Life in danger, We are asking For The Nurses to stop being Nurses in Washington state, And \$500,000,000 in damages And That the hospital shut down as a hospital

 DEC 15 2014
 CLERK, US DISTRICT COURT
 YAKIMA, WASHINGTON

(2)

We are not trust and this must stop
They would not care for her Because of Pansy
James bring an Indian of Yakima. All witnesses
will be making statements on what they saw
and how Pansy James was treated.
We have records on All of This as well
